

To whom it may concern:

The following is a list of information submitted to the North Coast Regional Water Quality Control Board regarding the Pacific Lumber Company's timber harvest activities in the Freshwater Creek, Bear Creek, Jordan Creek, Stitz Creek, and Elk River Watersheds (April 18, 2002 hearing, Items 1 and 2). These documents are in a repository at the Humboldt County library, 1313 3rd Street, Eureka, CA. A set will also be maintained for review and copy at the Regional Water Quality Control Board office (Santa Rosa, CA).

Regional Water Board files are available for review during the following hours:

Monday	1:30 to 4:30 p.m.
Friday	8:30 to 11:30 a.m.
Tuesday, Wednesday, Thursday	8:30 to 11:30 a.m. and 1:30 to 4:30 p.m.

Please call (707) 576-2220 to schedule a file review appointment, if interested.

I. The Pacific Lumber Company

A. Proposed Testimonies of:

1. Kathy Vanderwal Dube'
2. William Weaver, Ph. D.
3. Jeffrey C. Barrett, Ph.D.
4. Figures to Supplemental Testimony

B. Tables to Supplemental Testimony (Tables 1 – 6)

C. Attachments A – E: Supplemental Testimony

D. Attachment F: Annual Monitoring Reports (2000, 2001) and 8 appendices

E. Attachment G: Outline of New Water Quality Monitoring Approach

F. Attachment H: Trench Investigation of Recent Sediment History along the Elk River, Revision 1, Humboldt County, California (Feb. 2002)

II. California Forestry Association:

A. Public Hearings to Consider Potential Requests for Reports of Waste Discharge for Timber Activities on and about Freshwater, Bear, Jordan and Stitz Creeks and Elk River Watersheds (requesting to present testimony at the April 18 hearing).

B. Proposal to Direct the North Coast Regional Water Quality Control Board Executive Officer to Require the Submission of Reports of Waste Discharge for Timber Harvesting Activities in the Freshwater Creek, Bear Creek, Jordan Creek, Stitz Creek and Elk River Watersheds + 1 copy (proposed testimony for April 18 hearing).

III. California Farm Bureau Federation:

Proposal to Direct the North Coast Regional Water Quality Control Board Executive Officer to Require the Submission of Reports of Waste Discharge for Timber Harvesting Activities in the Freshwater Creek, Bear Creek, Jordan Creek, Stitz Creek and Elk River Watersheds (letter urging Board to consider wide-reaching implications of a decision to request reports of waste discharge for timber harvest activities, specifically as it will affect small landowners).

IV. William G. Bertain:

Remarks to Regional Water Quality Control Board with enclosure: Redwood Sciences Laboratory review of CDF peak flow analysis and proposed rate of harvest for the Elk River watershed.

V. Richard Gienger

A. Letter discussing conditions in impacted watersheds and referencing photographs (see V.B., below).

B. Photographs of Bear, Jordan, and Stitz Creeks.

VI. Georgia Pacific Corporation:

Letter Entitled: Reports of Waste Discharge Timber Harvesting Activities (requesting that the Board not require reports of waste discharge).

VII. Campbell Timber Company:

Letter Entitled: Proposal to Direct the North Coast Regional Water Quality Control Board Executive Officer to Require the Submission of Reports of Waste Discharge Related to Timber Harvesting Activities; Public Hearing 4/18/02 (requesting that the Board not require reports of waste discharge).

VIII. Forest Resources Council:

Letter Entitled: Proposal to Direct the North Coast Regional Water Quality Control Board Executive Officer to Require the Submission of Reports of Waste Discharge for Timber Harvesting Activities in the Freshwater Creek, Bear Creek, Jordan Creek, Stitz Creek and Elk River Watersheds (expressing concern about possible Board decision to request reports of waste discharge for timber harvest activities).

IX. Forest Landowners of California

Letter Entitled: Proposal to Direct the North Coast Regional Water Quality Control Board Executive Officer to Require the Submission of Reports of Waste Discharge for Timber Harvesting Activities in the Freshwater Creek, Bear River, Jordan Creek, Stitz Creek and

Elk River Watersheds (expressing concern about the effects of this proposal on private, non-industrial landowners).

X. Attila Gyenis, Freshwater Resident

Letter encouraging Board action.

XI. California Cattlemen's Association:

Letter Entitled: Proposal to Direct the North Coast Regional Water Quality Control Board Executive Officer to Require the Submission of Reports of Waste Discharge for Timber Harvesting Activities in the Freshwater Creek, Bear Creek, Jordan Creek, Stitz Creek and Elk River Watersheds, with enclosure: Grazing for Change (expressing concern about far-reaching effects the proposed action may have on cattle ranching).

XII. EPIC

Package Entitled: Consideration of Potential Request for Reports of Waste Discharge for Timber Harvest Activities on and about (1) Freshwater Creek, Bear Creek, Stitz Creek and Jordan Creek, and (2) Elk River, with five attachments:

- A. Time Line detailing the Regional Water Quality Control Board's (RB's) and State Water Resources Control Board (SB's) perpetual lack of action on the "Staff Report"
- B. Documentation on Bear Creek
- C. Documentation on Jordan Creek
- D. Request for Filing of Head of Agency Appeal of Timber Harvest Plan 1-97-520 (Elk River)
- E. EarthJustice "Board Hearing" submittal

XIII. Ken Miller and the Humboldt Watershed Council: six binders of information to support proposed testimony. Each binder contains a number of documents with labelled tabs. Labels are listed below, with a brief description of contents. A number of the documents are information sheets which do not include date(s) or name author(s), many including quotes from various attributed sources.

A. Binder 1

- 1. Why the Petition (Information sheet)
- 2. CDF Files to Projects (Redwood Sciences Laboratory review of CDF peak flow analysis and proposed rate of harvest for the Elk River watershed)
- 3. Water Quality Peak Flow (White, 2002)
- 4. WQ Rev Elk Flood (Henriouille-Henry, 2001)
- 5. Flood up 2-4x FWC (Dean Lucke fax to Alan Cook – list of information needed by CDF from PL to process Freshwater Creek plans)
- 6. Cut Rate FW/Elk (Philip Williams and Associates review (2000) of harvest rate calculations developed by Dr. Leslie Reid)
- 7. Dunne Report (Information sheet)
- 8. Is FWC Impaired? (Information sheet)

9. Headwaters signatory (Information sheet)
10. Basin Plan/Fish (Information sheet)
11. Stillwater Review (Information sheet)
12. Flooding/Fish (Information sheet)
13. Flooding/Take (Information sheet)
14. Building Bridges in Freshwater (email correspondence between CDF and PL)
15. CWE's/CI's (1/18/91 letter from NCRWQCB to Dean Cromwell)
16. Monitoring (Information sheet)
17. EPA-CDF Monitor (6/20/01 letter from EPA to SWRCB re: Forest Practice Rules – not certified as Best Management Practices)
18. PL Fights Monitor (letters from NCRWQCB to PL)
19. Trush: WQ: Sediment, Turbidity and Fish (1/23/01 review of proposed testimony by Dr. Jeffrey Barrett)
20. Rev. Barrett – Stillwater (1/10/10 review of proposed testimony by Dr. Jeffrey Barrett)
21. EPA - FW/Elk (11/11/97 letter from EPA to Board of Forestry)
22. HCP (Information sheets)
23. HCP Preemption (Information sheet)
24. Risk Assessment (Information sheet)
25. Report of Waste Discharge (Information sheet)
26. 1/21/99 CDF – PL (Information sheet)

B. Binder 2

1. Beneficial Uses (Letters, information sheets)
2. Immediate Threats (Letters, information sheets)
3. Watershed Aerials (Letters, information sheets)

C. Binder 3

1. Review Freshwater Flood Analysis (Addendum from Redwood Sciences Lab)
2. WQ Non Concurrence and HOAA (1-00-069 HUM)
3. WQ review draft FW CEA (memo from WQ staff, 2001)
4. Regional Water Board review of Elk River Flooding Analysis (Randy Klein review (2001), under WQ staff cover memo)
5. Interview: North Fork Elk Residents (Dudik, 1998)
6. Calc cutting rate North Fork Elk (Calculations by Dr. Leslie Reid, 2000)
7. Montgomery: review PWA & Reid (Montgomery review of calculations by Dr. Leslie Reid – memo from Montgomery to Gill, 2000)

D. Binder 4

1. Herbicides (Forestry Herbicide Use, by Jennifer Kalt)
2. 069 HOA Appeal (request by WQ EO to SWRCB)
3. NCWRCB Resolution No. 87-113
4. Mutual Defense (Letter from PL to CDF, 2000)
5. 1987 Waiver Hearing (excerpts from transcript)

6. Board of Forestry to Pacific Lumber: Stop (7/29/99 letter from PL to CDF)
7. SCO – PAC Mortgage (page from unspecified document)
8. Bias and nuisance (letter from Jesse Noell regarding confirmation of Board members Hoy and Moore)
9. CDF No peer review (letter to Dean Lucke)
10. Brecher to Regional Board Petition to require waste discharge requirements (2/22/02)
11. HWC Petition (Miller, 3/13/02)
12. PL – MAXXAM (miscellaneous documents, source(s) unspecified)
13. Arthur Anderson (from Anderson, LLP, to Maxxam, Inc., re: financial statements and supplementary data to report of independent public accountants)
14. 176 (Information sheet)
15. Jordan Scam (Information sheet)
16. Regional Water Board Review W.A. (4 pages of memo from WQ staff, 2001)
17. Escrow Account (11/19/99 letter to Scotia Pacific Company LLC note holders, source unspecified)

E. Binder 5

1. Cumulative Watershed Effects meeting agency review of Bear Creek, Jordan Creek, Stitz Creek, Freshwater Creek, and Elk River (minutes from December 16, 1997 meeting)
2. Reid Calculation of cutting rate for Bear Creek Watershed
3. Reid Review (of PWA Bear Creek Sediment Source report)
4. Reid Review of the SYP/HCP
5. Reid Review of Final EIS/EIR and HCP/SYP for the Headwaters Forest Project
6. Reid Review of an analysis of flooding in Elk River and Freshwater Creek watersheds
7. Reid Review of Methods to complete watershed analysis on Pacific Lumber Lands in Northern California
8. NMFS reviews PL WA methods
9. Reid Review of Master Thesis authored by Mr. William John Conroy
10. Redwood Sciences Laboratory Review of Freshwater Flooding

F. Binder 6

Summaries of reports (reviews by Redwood Sciences Laboratory and others of various PL documents)

IX. Howard Russell:

Video Tape labeled Freshwater, March 2002, with note: Video recording of Freshwater watershed and Freshwater residents during March 2002

X. Jesse Noell:

Elk River photos, declaration, and attached THP reports

XI. Randy Klein:

Proposed Direct Testimony of Randy Klein in Support of Salmon Forever

XII. Dr. Bill Trush:

Bill Trush Exhibit #1

XIII. MS Meyers:

Letter to Board regarding the Regional Board's actions/inactions for Freshwater Creek, Elk River, Stitz Creek, Bear Creek, and Jordan Creek (encouraging Board action)
